

Agenda

Europe for the Future: Developing Tools to Build an EU fit for Future Generations

Description

Hosted by Lídia Pereira MEP in collaboration with [The Future Generations Initiative](#) at the beginning of an important parliamentary term, this event will provide MEPs and other attendees an overview of the rights of Future Generations as a frame to address long-term challenges in EU legislation.

Soon after the United Nations Summit of the Future, 20-23 September, and in the context of upcoming Commissioner-candidate hearings this event will act as a helpful briefing and introduction to the concept of Future Generations.

Details
