Dear Future Generations Initiative members,

On behalf of President von der Leyen, I would like to thank you for the warm congratulations you sent her, on behalf of your organisation and other non-governmental organizations, following her election as President for a new European Commission mandate.

Thank you also for sharing your mission letter, views and recommendations for the years ahead, which will enrich our reflections on the points you raised.

The President was touched by your kind gesture and is grateful for the support that you expressed on this occasion.

We would like to send you our best wishes and thank you again for reaching out.

Yours sincerely,
